

Rules and Vendor Agreement for New Vendors

Mission Statement

The mission of the Twin Cities Market (TCM) is to support and promote **local, small-scale sustainable agriculture**, showcase regional arts and crafts, and foster a vibrant sense of community in Copperhill, TN and McCaysville, GA.

Time & Location

The Twin Cities Market (TCM) is held on the historic steel bridge connecting **McCaysville, Georgia** and **Copperhill, Tennessee**, with additional vendor space extending onto **Grande Avenue in Copperhill**.

The market operates every **Saturday from 9:00 AM to 2:00 PM** beginning **May 23** through **October 31**, as well as **Holiday Markets on November 28 and December 5**.

Market dates are strategically aligned with train arrivals from the **Blue Ridge Scenic Railway (11:00 AM–1:00 PM)** and the **Tennessee Valley Railroad (12:30 PM–2:00 PM)**, offering vendors greater visibility and foot traffic from visiting passengers.

Vendor Permits & Fees

- The Twin Cities Market (TCM) operates across the cities of Copperhill, Tennessee and McCaysville, Georgia. Vendors must comply with all applicable **local, county, state, and federal laws** based on the location of their booth and the nature of the products being sold.
- All vendors must obtain a **vendor permit in advance** from either **Copperhill City Hall (TN)** or **McCaysville City Hall (GA)**—depending on where your booth will be located.
- **No permits will be issued on market day (Saturdays).**

- The seasonal fee is \$50 per booth.
 - Booths are assigned each week by the Market Manager based on available vendors. You will not have the same spot each week.
 - Vendor fees help cover promotional costs such as signage, advertising, and directional wayfinding.
